KEITH BROS.,
SHOERS OF MANKIND
225 Crockett street.

Mr. Babin, the contractor, had several men at work on the top of a two-story house yesterday evening, when one of them lost his footing and fell thirty-two feet. But as luck would have it he fell on a sack of Peace Maker Flour, from the Beaumont Lumber company's store. The driver had laid the sack there while he was bringing in a lot of canned goods. The man rose up like a biscuit and told him to take two sacks of this flour to his house, handing him \$2.50 to pay for the same.

We Never Tire,

Praising our many worthy items that we offer for sale, it is a pleasure for us to talk about them, a pleasure to us to have you listen to what we have to say, and still more a pleasure to us to have you look at them, for no matter how often we see them ourselves, we never tire looking at them and we are convinced that they will certainly look pleasing to your eyes.

You take for instance our line of Shirts, why it is complete in every detail, no pains have been spared to collect all the latest styles in patterns, design and workmanship. When we say that it is the finest and most complete line ever shown in this section of the country, we make no idle boast but can substantiate

every word we say. Any line that is worth the while having is well represented. There is for instance that peerless line the Manhattan Shirt, no use our telling you what it is; it is known the Union over as the best, the best known at the same time, in all styles, stiff bosom with separate cuffs, soft bosom with collar and cuffs attached, in the latest styles and patterns at \$1.50. The 100 line white Manhattan shirts at \$1.25

Then there is the Lion brand shirt at \$1.00, the best made for the price without any question of a doubt, if it was not, we would not have it, for it is just as easy for us to buy the best as anything else. This line we have in Negligee, col-

lar and cuffs attached and stiff bosom with separate cuffs. Don't fail to see the latest fad the Fleur de lis patterns in them.

Next in line are the Universal brands and others, a fine Linen bosom white shirt, open back and front for \$1.00.

A full assortment of Negligees at 75c.

A full line of Negligees with separate collars and cuffs; collar and cuffs attached, stiff bosom with separate cuffs and others too numerous to mention at 50c.
